Subject.- Sanction to the creation of two posts of Rs 60-4-80 each and to the temporary appointments made therein during 1943-44 in the Municipal High School, Birur

I have the honour to state that, finding it difficult to secure qualified candidates to accept the appointments of teachers on Rs 40/- in grade 40-4-60, as many of them who were appointed left the service after serving for a short period, the management of the above school created two posts on Rs.60-4-80 each during the year 1943-44 and also appointed two qualified and trained teachers to them. Copies of Resolutions of the Managing Committee of the School and the Local Municipal Council are submitted herewith for perusal of Government

The creation of the two posts in grade Rs 60-4-80 during 1943-44 in that school requires sanction of Government, as these posts had to be utilised only during 1944-45, as per Government Order No E 261-63/Edn 251-41-5 dated 13-7-1942. The appointments made by the management in those two posts for the year 1943-44 also require sanction of Government, since the teachers in question were not recruited as per rules

One of the teachers so appointed has since resigned. Both the vacancies in grade Rs 60-4-80 in that school have been filled up this year by seriatim arrangements, as per the existing rules. The other

other teacher who was entertained in one of the two vacancies last year is reported to have been continued in an available vacancy. The Secretary of the Managing Committee of the School proposes that the teacher may be continued in the grade of Rs.60-4-80 or his pay may be fixed at Rs.60/- in grade Rs 40-4-60, as a special case, in view of the fact that the school cannot afford to lose the services of this well qualified teacher. Further information required in that connection has been called for from the Secretary and a separate reference will be made to Government on that matter.

As the creation of the two posts on Rs 60-4-80 each and the temporary arrangements made therein during 1943-44 was the only course open to the Management in order to secure the services of qualified teachers for the conduct of the school work, and the Municipal Council of Birur have agreed to meet the extra cost involved and the same has been already incurred during 1943-44, I recommend that the action of the Management of the school in having created two posts in the grade Rs 60-4-80 during 1943-44 and having appointed locally available but well qualified candidates in them during that year may be kindly approved, as a special case.

I have the honour to be,

Your most obedient servant,

P. Viswasundaram
